Fort Ethan Allen, 206 Hegeman Avenue
Colchester, Vermont 05446

Phone: 802-655-3166 or 800-300-2742

Your Project Deserves Our Experience

Natural Thin Stone Veneer is real stone sawn thin. At 15 lbs. or less per square foot, this product offers architects, designers, builders and installers many options for both interior and exterior applications—all without the need for a load-bearing shelf.

- *American Granite* • *Seabed*
- *Corinthian Granite* • *Greycastle*
- *And Many More...*
